HAYT CORNERS, N. Y. *June 23<sup>rd</sup>* 1911.

Dear Aunt Harriet,

Your letter received and cannot say how very glad I was to hear from you. I began to think that I had written the wrong address, but am glad that it was all right. I think you heard from Mother a short time ago. she said she wrote you and no doubt she told you all about herself. so I will confine my letter to myself and family.

As you see by this letter we run a hotel. It is quite a good sized house of about 25 rooms. The town is small, but we do a very good business. We bought the

opened last April. We own the  
other hotel that is here in the  
town, for 4 years. and the place  
was sold so we bought this  
one. It is very pleasant here. I  
keep two girls a cook and a  
dining room girl and I tend to  
all the rest of the house my-  
self and it is pretty hard work.  
It is the hardest to plan the  
meals and not waste anything  
but I am getting used to it.

We keep two men also.

We have horses, pigs and  
a large garden.

I have been married nearly 8  
years, but it don't seem possible.

We have two children the boy will be 7 in October and the girl 3 in October. One is very dark and the other light. Just as soon as I get Pearl & her husband's picture and a few others I will send them to you. I thought I would send them all at once.

Pearl is married and she and her husband both work at Willard a hospital for the insane. Her husband is a trained nurse. They get good wages and have an easy time and a lovely view right by the lake. (Seneca Lake).

I worked there for a year before I was married.

Well, I guess that is enough about  
myself until I write next time, &  
I forgot to tell you about Charlie  
and his family. He lives in  
Lockport up by Buffalo and  
is foreman in a printing  
establishment. He married a  
Seymour girl and has two children  
a boy and girl one 7 & the other  
4.

I would like to come over and  
see you, but we have just bought  
this place and that means we  
have a few years but after this  
year we hope to be able to have

You must have it real hard to get up so early and work hard all day. I don't suppose it would do any good to ask you over here but I would love to see you. I hope to get over to see you sometime.

Tell Herb to hire a girl in his place and come and see us. How is Nick? You forgot to mention him in your letter. and Gene, give him my love and tell him I would like to hear from him. Well I will say Good bye hoping to hear from you soon and I will look forward

some of your pictures soon.  
and as soon as I get my mine

Once more Good bye with  
love to you and all the rest.

Dear Cousin

Received your letter some time ago, but have neglected answering. I do not know as I could give much information that your Grandmother does not know about.

Father has't any family records. The Howe family Bible I suppose is with Grandfather Howe's belonging where ever they are, and that we do not know. Will Powley of course had the things that were left. He is the one who took care of

Grandfather until he died.

Father has told me that his Grandfather Howe was born in Scotland came to Canada from there. The Walkers were American born, lived in New York State then went to Canada. As to the dates, father can not remember as near as he can remember his Grandfather died about 73 yrs ago, and thought he was 10 yrs old at the time.

My Grandfather ~~Howe~~ whose name was James <sup>Reuben</sup> had 5 brothers & 2 sisters William, Henry, George, Matthew, Sidney Betty & Mary.

Grandma Howe whose name

second wife & the mother of  
Will Powley who took care of  
him in his last days.

Very likely your Grandmother  
Percy has told you all of this.  
I do not know as this will  
help much on a family record.

Father has been very well this  
winter except for his eyes which

have troubled him a good deal.  
I was afraid at one time he  
would loose his sight entirely,  
but is some better now so he  
can get out quite a bit.

The rest of us are real well, and  
hope you people are well also.  
Would like to hear from you  
again at anytime. Remember  
us all to your Mother & all the  
rest. Hope to hear from you  
folks again. Your cousin

Dear Friend Herbert,

We were very glad to hear from you and your mother. So nice that she can be with you for Christmas. No one in the world like "mothers".

Ed. Jeffry and his wife were here in the Fall, and his father was here a few hours about four weeks ago. He works in New Jersey. Ed. lives in Watertown.

We are not having a very merry Christmas time. Mr. Jeffry is suffering greatly with pains in his arms and hands. They ache all the time and sharp pains in one place than another. He sleeps very little, he suffers so. The hands are swollen badly and such a stiffness. They have been bad for 3 months but grow worse. He soaks them in hot water the first thing in the morning, then has his chores. He milks the 2 cows. But it is very hard work to do any thing with his hands. An old Doctor at South West says it is Arthritis but did not tell him that. His med. did not help any apparently, but he will go back in a day or two to see him again.

2.  
He would not go - a doctor until a week ago.  
He was sure no one could help it.

Jennie is in the same place she was when  
you saw her, in Chicago, 77 S. Bridge St. and  
Laura lives in Toronto. She and her husband and  
2 children were here in July. Will be here in  
Sept. or early Oct.

Now for question no one knows how died in  
Blackwin Mich. His daughter Emma still lives at  
Mandan or Swain a few miles from Mandan, as far  
as Mr. Jeff. knows.

His daughter Maria died in 1871 or 1872 about.  
Mr. Jeff. only knows one brother of James Town. He  
does not remember his name. He lived at Mandan.  
He does not know about James father's name.

James & Emma moved from Bellock to Fair Haven  
in the early sixties then to Mandan that is all  
Mr. Jeff. knows.

Sorry we cannot answer all the questions.  
I am sure you are having a good visit. We  
like to see you both. Come when you can  
at if you bring your wife Herb.

Dear Cousin,

In answer to your letter  
I am a son of Matthew Howe.  
I can only answer one of your  
questions. Mother's maiden  
name was Sarah Long of  
Uxbridge. Her and father  
died within a few years  
of one another at the ripe  
old age of over 90 years for  
father and about 90 years  
for mother at the home of  
James Howe Haliburton.

I can remember of Father  
having one sister but always  
heard her spoken of as  
Aunt Katie. You might get  
more information by writing  
my two oldest sisters.

I am Mrs. Myles Jennings

give you.

Dear Friend

In regards to your letter of Sept 27  
I must say that my ancestors the Howes came  
to Canada from South Carolina about the year 1791  
They fought in the American war on the British side  
They lost the war and the United States got there  
independence and the British sent them to Canada and  
gave them land. and now at this late day they are called  
United Empire Loyalists and they settled at  
Bay Quinte and when father was a boy he worked  
in a Tannery at Gansuogoe. When his father died. so  
sometime after Grand mother married Mr Andrews ~~James~~  
father had three brothers Henry, George, Sidney, I have  
never heard of James. I only knowed one sister of father  
and that was aunt Katie she lived in Simsbury she  
married a Mr Gregory fathers people moved to Lybridge were  
he married Sarah Long. We once lived near Fenelon Falls  
I cant remember very much about my Grand Parents.

I cant say who fathers other sisters married

I have newsies in my hand  
and its hard to write

Yours Truly

Dear sir

I have your letter and papers  
With questions sorry I cannot  
answer very many of them

You have the sons names correct -

Yes James Hows mother married  
a second husband Mr Andrews  
his first name I never heard

She was also mother of the six  
children that came north with  
her and Mr Andrews. These were

Matthew Sydney George and Henry

The two daughters were Mary Howe  
who married Lewis VanLewen

and Catherine Howe who married  
George Gregory and went to Lindsey  
to live and she died there

The rest of the family settled in  
The township of Eschbridge Ont  
over

I am Ira Howe son of Henry Howe  
 That is mentioned in the list  
 and I believe I am the oldest  
 One now living of the second  
 Family of the Howes in my 26 years  
 The Howes of the first family  
 Have long since passed away  
 So you see I haven't one to  
 Go to for Information

My Grand Mother Mrs H Andrews  
 I see Howe also died in Lincoln  
 at her daughter Catherine's home  
 We youngsters used to call her  
 Aunt Katy Gregory

Now I hope you will  
 Be able to reach my writing  
 and so I will close.

Yours sincerely

Dear Mr. Burleigh:

I have your letter of May 29th enclosing check for the Kakiat Patent book; and thank you for your order and comments about the book.

I will bear in mind the names of William Howe and George Galloway, the ancestors about whom you seek information, but I would guess that they were not born in the States.

GALLOWAY The New York Will Abstracts, with which you may be familiar, show that a George Galloway was one of the witnesses, together with Thomas Coultrough and David Jones, to the Will of Henry Livingston which was executed and dated February 5, 1772 at Parish of St. Mary's, Island of Jamaica, proved there on September 21st following, and confirmed in New York August 6, 1774. The witnesses must have been residents of Jamaica and perhaps this will give you a further field for research, since you know that your ancestor was born in the year 1750. He would thus have been of age in 1772 and could have married in Jamaica before he moved to the States. *St. Mary's Parish on North Shore of Jamaica.*

HOWE A William "How" yeoman, witnessed the Will of Balm Johnson Cozine of New York on December 30, 1782. The other witnesses were Louis Andrew Gauteer and Mathewis Van Orden. The latter was evidently the father-in-law of William Howe, although the Demarest Genealogy gives his name "Martens" Van Orden, unless these persons are not the same. Margareth Van Orden who married William How on September 24, 1770 in the New York Lutheran Church, could have been the daughter of Elizabeth Rutan baptized December 2, 1733 at Schraalenburgh, who married "Martens" Van Orden. Elizabeth was the daughter of William Rutan of Phillipsburgh (Tarrytown) in Westchester County, N. Y., and Maria Demarest. Perhaps you already are acquainted with this information, but can enlarge on it in the event you do not have it.

Lea Rutan, sister of Elizabeth, was the wife of John Mabie #3 in the Kakiat Mabie family.

GALLOWAY I also see that George Galloway verified the property of Philip Roblin, late of Smith's Cove, Orange County, N. Y., according to the Ontario Archives. This would seem to confirm that Galloway had lived in that vicinity at one time.

In the event I am able to find any further clues, I will let you know.

Yours very truly,

*Howard D. Turie*

Reuben(?) Howe, first of our family, was believed of Scottish origin if not born there. It seems more probable that he was born in Canada or U.S. & came to Canada after the Revolution. There is record of one William Howe being a U. S. L. & settling in Kingston. There is a possibility that there is some connection between these.

His residence in Canada is unknown but he married Elizabeth — & had the following children—

Dear Mr Burling:-

Just a note, before I go off to bed, I was at the parliament Bldgs to day to the Archives and found some data. I hope you will excuse the type of sheets I used but I had run out of them and had to hunt up some old ones.

The George Galloway sheet interested me very much. I will look at the Rice family when I go again, but I hardly think this is our Elizabeth or they would say, as these records give the data as far as 1830, and my grandfather was born in 1822.

We now have Peter Howe & Matthew now we want George and his family. I have only gone half way through the book will have another try next week.

Thomas Burnett & his son, I was glad to get these two records,

I wish when you are looking through your records, would you keep your eye open for Joseph Peters who married Dorcas Watchman, I have their marriage and one child but would like more.

Don't make a special search

but if you run across anything I would  
be glad to have it, where could I see  
these Portland Twp records you mention,  
I think my Joseph Peters from Ernestown  
moved to there, after he sold his farm  
to Eli Peters.

I have written about a dozen  
letters this week about our Howe line so  
I may have something more to let you  
have.

Sincerely yours.

Mrs M. Waywell.

Dear Dr. Burleigh:

Your letter of the 16th,  
requesting data concerning various families,  
was received last week. I presume the "list  
of original grantees and their children",  
referred to, is some information which was  
collected by a former member of the Archives  
staff, since I know of no other such "list".  
This data is not, at present, in this Depart-

has just now come to hand. I am, therefore,  
enclosing a copy, trusting that it may be of  
some use to you in your searches.

Dear Mr Burligh,

Just a note, Enclosed find  
3 sheets of Data,

The Browne data I thought  
may be of help to you, I received it  
from one of my Peters family,

I judge this Browne family  
is from Kingston as Solomon Peters  
& Sarah Browne are from, Ernestown, or  
at least Solomons parents are.. Browne  
is a very hard name to search so thought  
I would pass this data on to you.

The other sheet is a copy of  
the 1871 Census I received, do you notice  
Elizabeth Howe is German, now.  
where do we stand.

Yours Sincerely

Mrs M. Waywell.

P.S. Have several  
address of Howe. etc,  
may have something  
to Report, soon.

Dear Mr Burleigh:

Many thanks for your grand letter I too have been trying for years to get more on my Howe line but with little success, it is not long since I got the data of the VanOrder line and felt quite thrilled about that.

About 1944 mother died and before that she had a stroke and was an invalid for six years, after she had the stroke she could not remember things as clearly as she did before the stroke, it just so happened that I did not become interested in Genealogy until after her stroke, I got interested through a friend and it was a blessing for me as I had mother to look after night and day and you know what that means, one wishes to get away and forget all about the sick room and all things connected with it so I took up Genealogy and as I say it was a blessing, as I could loose myself in the books and forget all about my troubles. This I did once a week. But often I would talk about mothers family to her and try to draw her out, I was afraid to use much of it as facts as I thought that she may have become confused being that shee had the stroke but now I find from your letter that she gave me all the data right.

I have lots of data on the Howe line but have not been able to connect it up, but from time to time I will send it to you and I am sure that we both will get some where.

(1) I will try to answer your letter just as you mention the things, Mother was not sure about her Uncle James ( I have a slip of paper somewhere that she gave me that data along with some one by the name of Galloway) but if I remember right it was one of her uncles that married a Galloway. *see chart. 2, this may be where the name came from.*

(2) If James Reuben Howe was born in 1817 then he was just older than my grandfather George as he was born in 14 Oct 1822.

(3) Elizabeth is right as mother said that she was named after her grandmother and she could remember her she did not die until mother was working ( mother started to work when she was 8 years old. )

(4) Yes my grandfather was born in Kingston, and later moved to Uxbridge, but Elizabeth lived in Whitby most of the time.

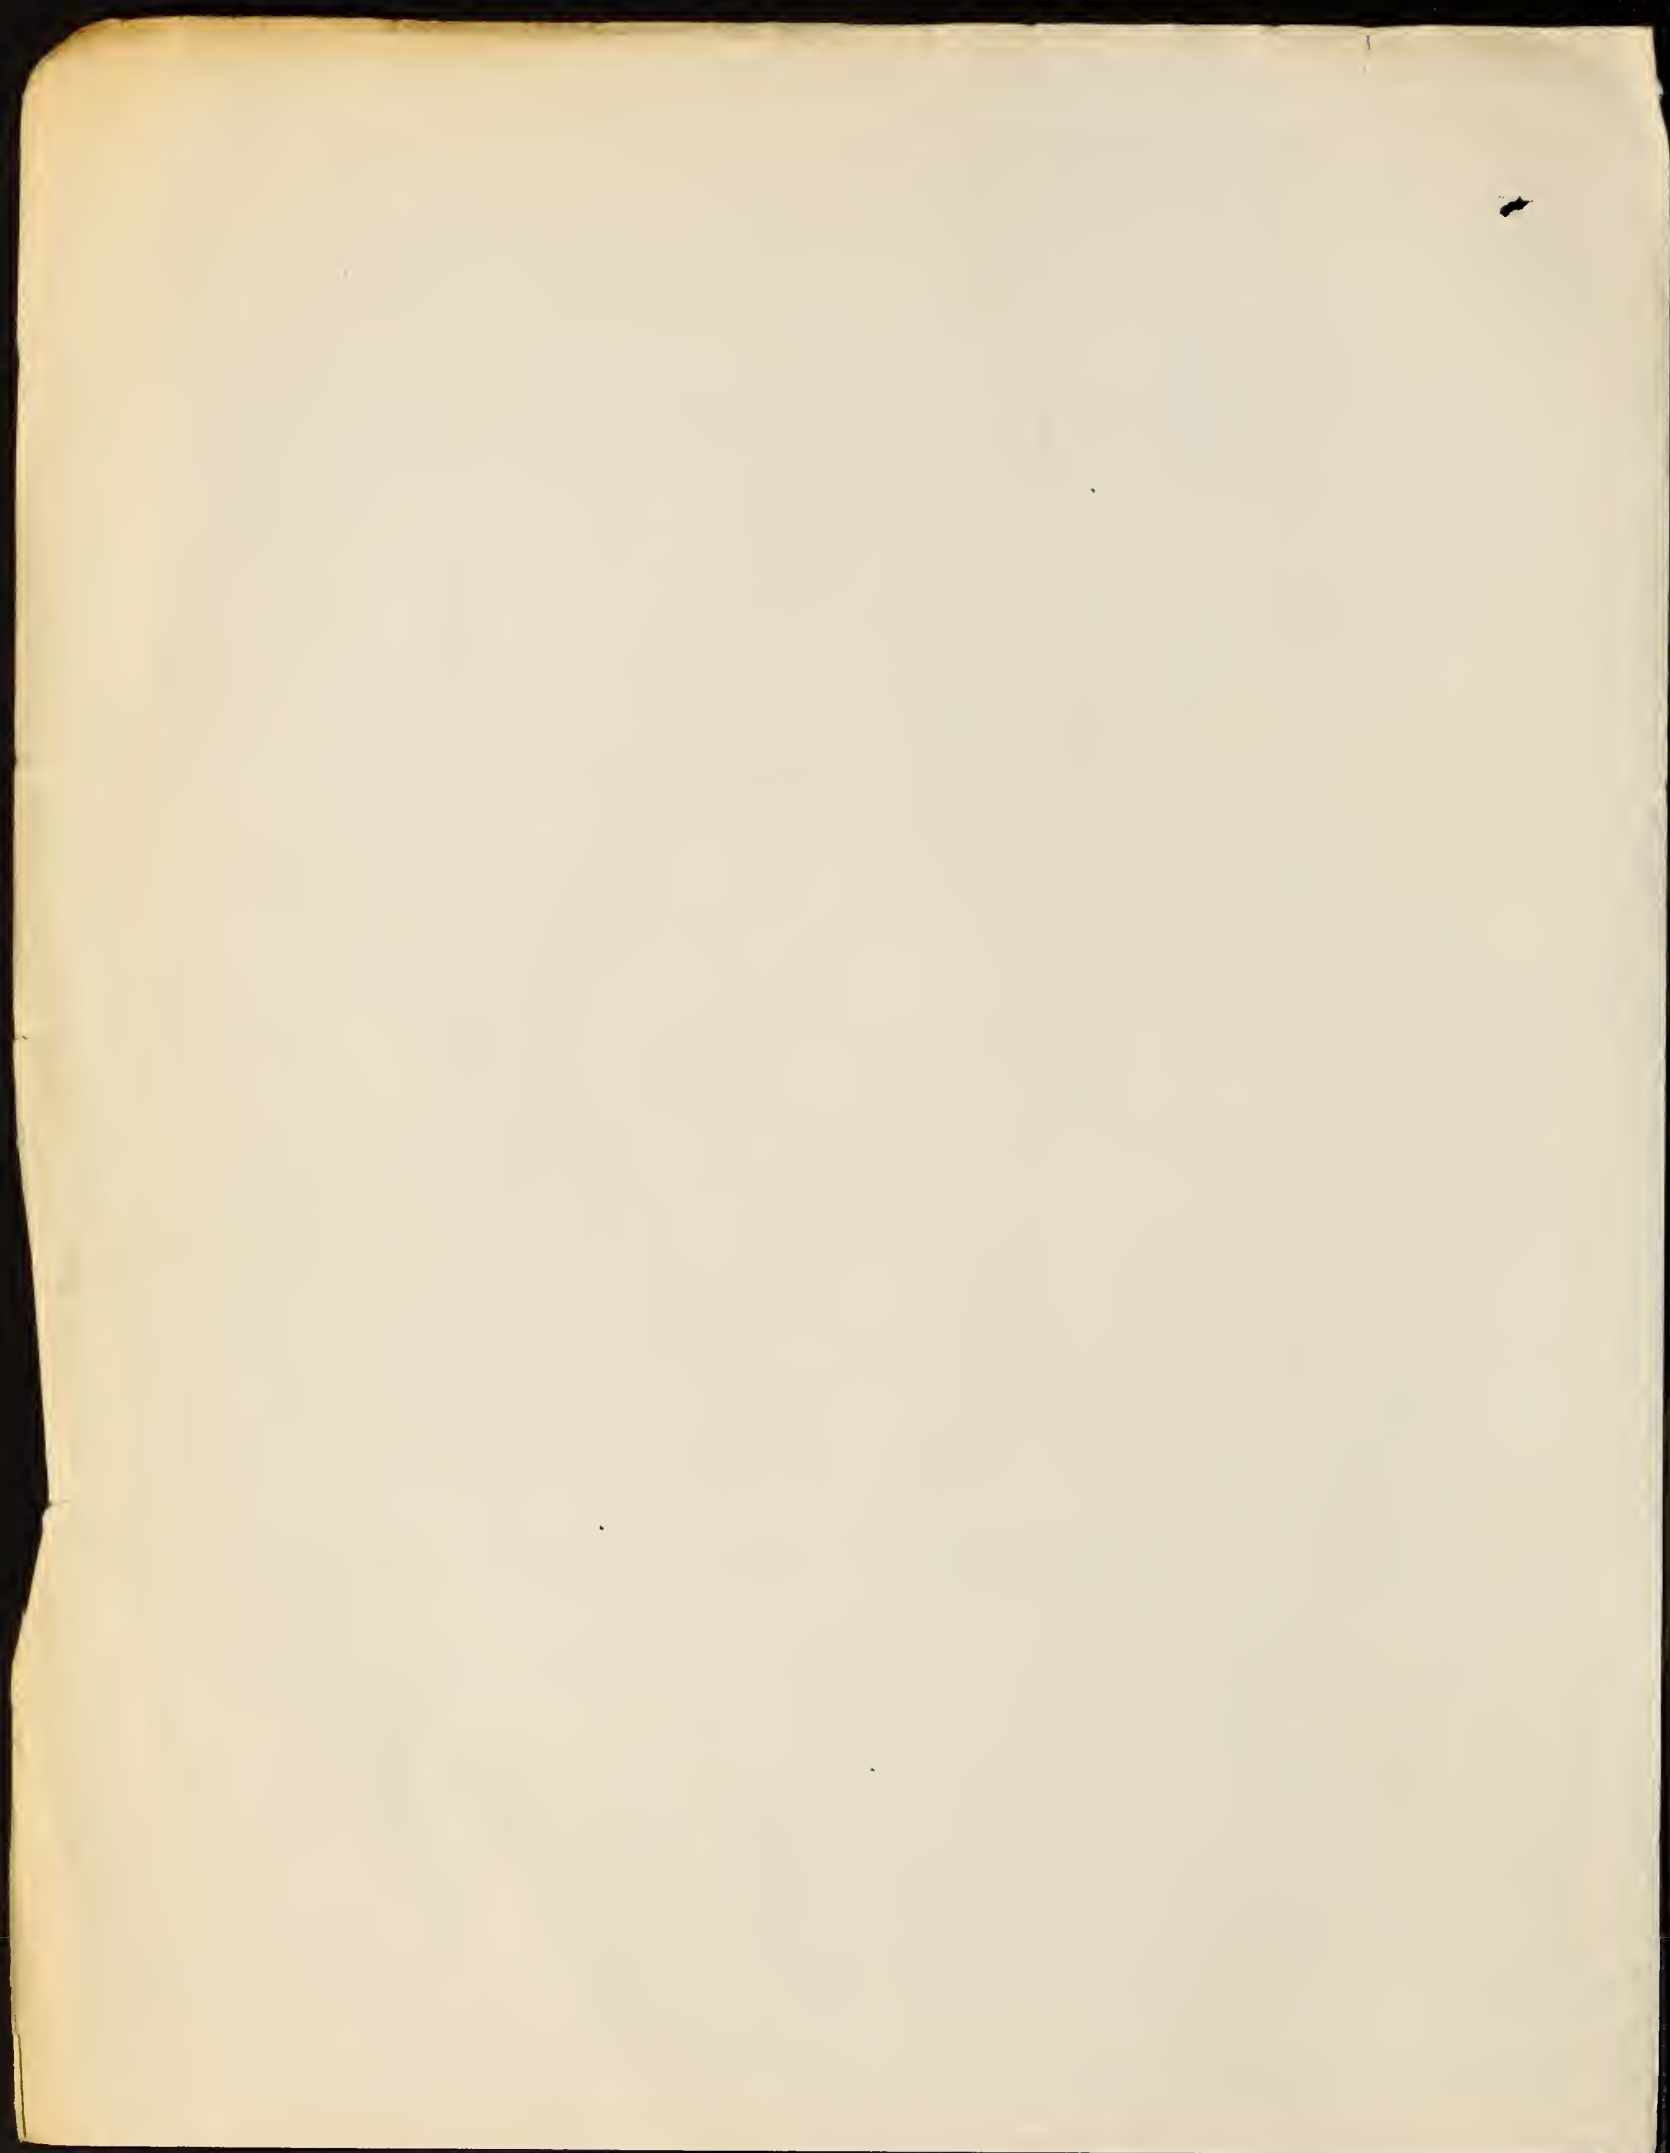

(5) Mr Anderson as mother thought? I guess it should be Andrews it is so much alike, This Mr Andrews was the third husband as you will see on the chart for Elizabeth. *chart. 3 B.*

(6) I have nothing on the Betsy nor William could they have called one of the girls Betsy her middle name could be Elizabeth after her mother.

(7) You will notice that Elizabeth first husband was a Mr Haycock mother remembered Margaret Haycock but did not think she had any more children by this marriage. *chart 3 A*

(8) Why not try the 1871 Census for Elizabeth ..... and Mr H. Andrews (I notice that Ira Howe says Mrs H. Howe could he mean that the husbands name started with an H.

(9) the list of 1871 Census of George How is my grandfather along with his wife Mary Ann Loftus who was born in Peterbourgh of Irish parents. the Mary E. is my mother. and then they had two other children born after this date. and Henry How is his brother. (This is on your chart A.)

I did contact Ira Howe's daughter Miss Mable Howe and it so happened that they had just buried the father and was trying to sell the house, I have written to her several times since and have not received any answer, I guess she is like many others think it is rather silly, and afraid that I will get to know some of the skeletons but all I want is the dates I don't care about gossip.

I have a nice article I took out of Pioneer life of the Bay of Quinte on the family of Rufus Howe, I will copy it and send it to you,

I have copied all the data on the Howe's in the Ont. Hist. records and some into New York, that is the marriages from New York in and around the time that William Howe settled here, in hopes that it would link up.

I hope that these sheets will give some data that you don't have and confirm that which you have.

Being that my grandfather died in 1891, I have written to the Parliament Bldgs to see if they have his death registered and if it gave his parents names, I will let you know just what the results are.

I did contact a young chap from Uxbridge who said that the Howe family married into the Chrysler family and that they may be able to give me some data, I wrote to one woman but she could not give me much. the Chryslers are from down around Uxbridge,

Yours sincerely

Mahala Waywell.

Mrs Mahala Waywell.

P.S. I am in no hurry for that chart, it is just a ruff copy I have the better one and can refer to that if I need it.

If you have any more data to add to these sheets will you send it to me.

more data I have.

Dear Dr. Burleigh:

Received your letter a few days ago. Glad to hear from you.

Relative to the Howe (How, Hows) family or families: I married Minnie Howe (my first wife). Her father's name was William Howe (1822 - 1896). Her grandfather's name was Joseph How (1776-1845). Her great grandfather's name was Samuel How ( ? - ? )

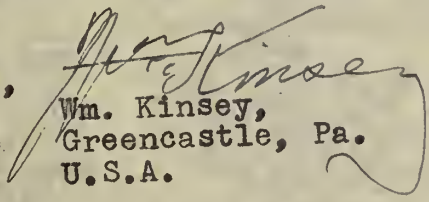

Where this Samuel How was born; when, and when he died we have not learned as yet. This Samuel also had a son named Samuel (born 1770- ? ) And he also had a son William (1784-1831)

My chart does not go back farther than Samuel Howe the great-grandfather of my first wife, Minnie E. Howe.

I note that this Samuel How's first child to be born was Abraham How, born 1768; and the William How you mention was born about 1740, this Samuel and this William may have been brothers, - they are of the same contemporary generation at least.

This is about the best I do in answering your letter and questions. If I can be of further use to you, come again. If interested in our Howe history chart shall see that you receive one.

Very Kindly Yours,

Dear cousin, I presume and really hope, that you have been too busy of late, to even think of your ancestors or that as yet I have not answered your letter of nearly one year ago. I was pleased to receive a letter from you and was greatly interested in every word.

It seems strange that I would not know more about the Howe family. Guess, my father was always too busy to stay around the house and talk.

I know his mother's name was Walker and he was quite fond of her two brothers Wilson and James. The latter as you know lived at Cataraugui. The years in which my father was sailing on Lake Ontario and St. Lawrence R.

whenever in Kingston, if possible, he would run out to see uncle James Walker. I wonder if your grandmother Percy kept in touch with them. Uncle Wilton came to visit us once in Fair Haven. His home was in Mich. I have his photo now.

My father had a china plate of which he was very choise.

An aunt, who was his father's sister and lived near them when my father was a young lad brought this plate over and he being the only boy, she said, she would give it to him, then the girls could not quarrel over it.

The plate is about 8 in. across, and has picture of moose in the bushes in center. Eva Dell has the plate now, and it must be a lot over 100 years old.

About my grandfather, not being a Hawk, of course, I had never heard that.

I never had a chance to see

him very often. But he did  
stay with no one winter. And  
not sure, but think it must  
have been just prior to his  
moving to Mich. perhaps in 1885.

Any way, I admired him very  
much. He was good height and  
build and nice looking, and  
walked like a prince.

I would so much enjoy  
meeting you some time  
when the world gets back to normal  
now we all are so tense and  
anxious about the war. I do  
hope that both Churchill and  
Roosevelt live to see it through  
to a glorious glorious victory,  
and soon.

With kindest regards

I am your cousin
